1 *Apply for Medical Assistance*

The State of Maryland has many programs which low income and medically needy individuals may qualify for. There are income requirements for these programs. If you do qualify for medical assistance, you may be required to enroll in a managed care organization (MCO). This will provide you with the same coverage. However, we only participate with four MCO's: Amerigroup, UHC Americhoice, Coventry Diamond Plan, and Priority Partners. In order to apply for medical assistance, contact:

Cecil County Health Department

John M. Byers Health Center

401 Bow Street

Elkton, MD 21921

(410) 996-5550

or

www.dmhm.maryland.gov/mma

* If you are enrolled in an MCO, **you must** make sure our practice is listed as your PCP.

2 *Apply Here for Reduced Fees*

If you fail to qualify for any State of Maryland medical assistance programs, we may be able to offer you reduced fees. Many individuals who don't qualify for state assistance qualify for a sliding scale. Charges could be reduced by a certain percentage according to income and size of household.

In order to apply for reduced fees, we will need to see:

1. A **letter from medical assistance** that shows you did not qualify.
2. Some sort of **indication of your income**, like a pay stub or tax return.

We don't want our fees to be a burden to you. We want to provide for those truly in need.

3 *Set Up a Payment Plan*

If you fail to qualify for medical assistance or a reduced fee, you can set up a budget payment plan. We will structure monthly payments at a level you can afford. After the plan is set up, you will receive a monthly statement from us. We must hear from you if you cannot meet a payment.

For more information or to apply for these programs, ask to speak with our office manager, Doris McCreary. Any financial information obtained by us will be kept confidential.
